

REMARKS

This is a continuation application.

Pending claims 6-11 and 19-27 were prosecuted in the parent application, but were cancelled so that a patent would be granted for the allowed claims.

Applicant asks that all claims be examined in view of the amendment to the claims.

Please apply any charges or credits to deposit account 06-1050.

Respectfully submitted,

Date: 2/18/04

## ABSTRACT OF THE DISCLOSURE

Techniques for recycling waste particles may include solidifying particles, which were generated by machining a crystal ingot into a wafer or by machining a semiconductor wafer, into a cake, and melting the cake, for example, into an ingot.
